

PURUSHOTTAM KUMAR SHARMA

B.E. Computer Science & Engineering Student | Aspiring Software Developer

purushottam78453@gmail.com | github.com/purushottam78453-ux | linkedin.com/in/purushottam-sharma-041544439/ | purushottam78453-ux.github.io/portfolio/

CAREER OBJECTIVE

To gain practical experience in software development, work on real-world projects, strengthen my programming and problem-solving abilities, and continue growing as a computer science student and aspiring software developer.

PROFILE

First-semester B.E. Computer Science and Engineering student at Chandigarh University, building a strong foundation in programming, web development, and problem solving. Currently learning C, Python, HTML, CSS, JavaScript, Git and GitHub while developing practical projects to improve programming and software development skills. Interested in building useful applications, learning new technologies, and gaining real-world development experience.

EDUCATION

Chandigarh University

2026 – Present

B.E. — Computer Science and Engineering

TECHNICAL SKILLS

Programming	C, Python
Web Development	HTML, CSS, JavaScript
Tools	Git, GitHub, VS Code
Other	Data Analysis, Artificial Intelligence, Microsoft Azure

PROJECTS

STUDYHUB — Student Life Management Dashboard

HTML • CSS • JavaScript

Built a student-focused dashboard for managing subjects, tasks, attendance, exams, and expenses.

- Created a responsive student dashboard interface.
- Added task, subject, attendance, exam, and expense management.
- Implemented dark/light theme support and used browser local storage for saving user data.
- Added responsive mobile navigation.
